

We all have a role to play in protecting children and young people from child abuse and neglect. But a third of people who suspect child abuse, do nothing.

You don't have to be absolutely certain about your suspicions; if you have a feeling that something's not right, talk to your local children's social care team who can look into it.

If you're worried about a child, contact the Early Help and Safeguarding Hub on **(01482) 395500** or, for out of hours, call **(01482) 880826**.
